

*MA Classical Studies – Villanova University*

My Experience

I had a good experience in the *MA Classical Studies* program at Villanova University. This ten course program consists of two core surveys (*History of Latin Literature* and *History of Greek Literature*) with an additional eight electives in Latin and Greek. I would like to specifically mention here, not the academic journal articles, supplemental works of literature in translation, term papers, and translation examinations, but the actual Latin and Greek I translated.
